* This represents a reallocation from Commonwealth funding source

** From 2017-18, the Environmental Defenders Office and Public Interest Advocacy Centre have received a significant amount of their funding direct from the Public Purpose Fund rather than through the Community Legal Services Program

*** 2016-17 amounts for the Environmental Defenders Office and Public Interest Advocacy Centre included Public Purpose Fund funding that is now excluded from the Community Legal Services Program, so it is not possible to compare

**** The University of Newcastle Legal Centre was not funded under the Community Legal Services Program prior to 2019-20
